HAIL, COLUMBIA!
Hail, Columbia, happy land! hail, ye heroes,
heaven-born band
Who fought and bled in freedom's cause,
Who fought and bled in freedom's cause,
And when the storm of war was gone, enjoyed
the peace your valor won.
Let independence be our boast, ever mindful
what it cost;
Ever grateful for the prize, let its altar reach the
skies.

CHORUS.
Firm, united let us be, rallying round our liberty;
As a band of brothers joined, peace and safety
we shall find.

Immortal patriots! rise once more—defend your
rights, defend your shore;
Let no rude foe, with impious hand,
Let no rude foe, with impious hand,
Invade the shrine where sacred lies, of toil
and blood, the well earned prize.
While offering peace, sincere and just, in heaven
we place a manly trust,
That truth and justice will prevail, and every
scheme of bondage fail.

CHORUS—Firm, united let us be, etc.
Sound, sound the trump of fame! let Wash-
ington's great name
Ring through the world with loud applause;
Ring through the world with loud applause;
Let every clime to Freedom dear, listen with a
joyful ear;

THE CONDITION OF THE UNION PARTY.
The term "bolter" in the Union party no
longer has any significance. It matters not
which faction carries a county, the other is
certain to nominate a ticket. The rebellion
being overthrown—the armies disbanded—the
soldiers discharged and returned home—the
few troops retained are stationed to guard
property while the right of ownership is be-
ing settled. The only army we have, whose
numbers are sufficient to entitle them to the
name of army, is in Texas, on the Rio
Grande, with the Monroe Doctrine perched
upon its banners, watching Maximilian.
The laws and Constitution are rapidly being
reinstated and enforced through the civil
courts established in the rebellious States,
and military rule removed. Slavery is dead,
and buried so deep that no resurrection can
ever call it from its dark and bloody tomb.
The old issues of the party are past and gone,
or so indelibly fixed to our Government as no
longer to be questioned. The settlement of
the rebellion is in the hands of the Admin-
istration, and in that settlement new issues
have arisen, which the two factions of the
Union party differ upon in the Atlantic
States. One of which the Long-hair party in
this State is a branch, has arrayed itself
against the Administration. President John-
son has declared that the question of negro
suffrage must be left to each State to decide
for itself. The Long-hair party East say
Congress must decide it in the rebellious
States instead of the people. As it is strictly
a State issue in every loyal State, and is the
principal one in the present campaign, the
people of this State are called upon to vote
upon it in the selection of legislators. They
represent the people, and are their servants
through which this work is to be performed.
Now which ever way they desire to have it
done will be determined when they deposit
their ballots. It is the question which has
severed, and is severing, the Union party in
the various counties of the State. If the
Long-hairs secure control of a County Con-
vention, the Short-hairs know, a negro suf-
frage ticket will be nominated, consequently
a bolt is the result. If the Short-hairs gain
control, the Longs understand that an anti-
ticket will be selected, and they bolt. Other
issues of great importance sometimes control
and actuate the people in nominating a new
ticket—such as corruption, trickery, despotism,
ostracism, and the nomination of incompe-
tent and had men to office—as was the case
in this County. The conviction is forced upon
us from the actions of the two factions
throughout the State, that the Union party
is bursting into fragments. It was predicted
by hundreds that such would be the result
as soon as the rebellion was conquered and
peace and Union restored. Parties may be
reunited, and factions may wrangle, but
principles will remain as solid as the ribs of
the earth. When a garment is worn out it
is thrown aside for a new one, suited to the
times. So with parties. If the Union party
has performed its destiny, and its principles
become obsolete or out of date, beyond con-
trovery, new parties will be formed upon the
new issues which arise. Such has been the
history of parties, and such is the inevitable
course of events.—[Gazette.]

AN ATTACK ON THE PROFESSIONS.—The
Shylock who, with head erect, with honest
bosom, should come to share his fel-
low man, and go to shaving shingles.

The lawyer would be better off, his con-
science far less pliant, who owned a little
farm in fee, and made that farm his client.

PEOPLE'S

UNION COUNTY CONVENTION.

All Citizens of Plumas County, who believe
the true object of political parties ought to be
to carry out the interests of the People, instead
of promoting the private ends of individuals,
and that when politicians, by fraud and trickery
secure the nomination of incompetent persons to
office, to serve themselves instead of the public,
it is the right and duty of the people to choose
for themselves, and ALL WHO SUPPORT THE
PRESENT NATIONAL ADMINISTRATION and who are
in favor of the following principles, to wit:

- 1st. Honest, Competent and Faithful County
Officers.
- 2d. Capable and Unpledged Legislators.
- 3d. The Enforcement of the Monroe Doc-
trine.
- 4th. Opposition to the Taxation or Sale of
the Mineral Lands.
- 5th. The Adoption of the Emancipation
Amendment to the Constitution.
- 6th. Opposition to Negro Suffrage in the
State of California.

The above Call is made at the request of a

UNION CITIZENS OF PLUMAS COUNTY.

Proclamation.—Gov. Low has issued a
proclamation calling a general election for
Senators and Members of the Assembly, to
be held on Wednesday, the 6th day of Sep-
tember next.

The 24th Senatorial District, composed of
the counties of Butte, Plumas and Lassen, is
entitled to one Senator, to be elected by the
county of Butte. Plumas and Lassen coun-
ties are entitled to one Member of the As-
sembly.

Section 6, of the law passed by the Legis-
lature of 1863, regulating elections, reads as
follows: "It shall be the duty of the Board
of Supervisors to give at least ten days
notice thereof, by posting, or causing to be
posted up, at each place of holding elections
in their county, a copy of such proclamation;
and also a copy of that portion of the elec-
tion laws of this State, which relates to the
qualifications of electors, and the proceed-
ings to be observed in conducting the elec-
tions and making the returns; and to insert
the same in some newspaper published in
the county if any be published therein."

The Board of Supervisors of this county
will hold their next regular meeting on
Monday next, at which time we presume the
election precincts will be established and the
officers of election be appointed as required
by law.

THAT BILL.—If the Duesler, Traugh &
Co. clique can collect money enough of their
candidates to send below and get their post-
ers, etc. printed, we presume they can raise
enough to pay that little bill the regular or-
ganization (?) owes this office. We call the
attention of their Central Committee to the
matter. If not settled by our next issue, we
shall publish the bill in full, give the names
of the members of the Committee who or-
dered the work done, and who promised to
see that it was paid for. Settle fair, gentle-
men, if you never expect to pay a cent.

ALL RIGHT.—It seems to be the design of
the leaders of the purity party in this coun-
ty to make a personal fight against whatev-
er candidates the People's party choose to
nominate. They have already commenced
to abuse and vilify some of the members of
the People's party. If such is your game,
Gentlemen, in the language of our old friend Tom
Cox, we would say, "Just all in." If the
candidates on your ticket can stand it, we
know that the nominees of the People's party
can. Sail in.

FERIA HAD.—We understand that Duesler,
Traugh & Co.'s pet candidate for Assem-
blyman, feels very sore over his defeat in the
Joint Convention. The combination trick
did not happen to win in his case. We hope
that some of the "sacrificed" candidates be-
gin to see through the whole arrangement.
The "Shorts" from Lassen, played the
very d—l—l—l with the arrangement made
by the disinterested politicians of the Long-
hair stripe in this county.

LASSEN COUNTY.—The Union Convention
which met at Susanville on the 22d ult.,
made the following nominations: For
County Judge, W. R. Harrison. For Sher-
iff, W. H. Nulleigh. Clerk, A. A. Smith.
Treasurer, E. D. Bowman. Assessor, W. C.
Kingsbury. District Attorney, L. H. Em-
merson. Surveyor, E. R. Nichols. Coroner,
J. Hutchings. The delegates from Jaynes-
ville and Millville withdrew from the Con-
vention before the nominations were made.
The following is a list of the delegates that
withdrew: L. N. Breed, S. J. Hill, D. W.
O. Dimock, W. Hamilton, B. F. Sheldon,
J. Hutton, C. Grove, F. C. Washburn and H.
E. Leomis. The whole number of delegates
in Convention was thirty. Smith, the nom-
inee for County Clerk was elected by the Dem-
ocratic party to the same office last year, and
defeated the regular Union candidate, L. N.
Breed. Breed is one of the delegates that
withdrew from the Convention.

We understand that a People's Ticket will
be nominated, which will include both Union
men and Democrats. If such should
prove to be the case, the regular organiza-
tion cannot find a word of fault, for from
appearances they have done the very same
thing—all the difference is that they have
the regular organization (?) to back them.
From a gentleman who arrived in this place
a few days since, we learn that the nominee
for Assemblyman does not suit a majority of
the party in Lassen, and that he will receive
little or no support in that county. The pet
candidate who was defeated by the Short
Hair delegation, has been through Lassen,
and raised h— generally in regard to the
nomination. His chief hobby against the
nominee was that he was not a Honey Lake
Wagon Road Candidate. The political fight
in Lassen and Plumas is getting beautifully
mixed, and what is worse, the regular or-
ganization (?) in this county, controlled by
Duesler, Traugh & Co., will not be able to
make the people swallow the mixture. They
have purchased an elephant, and do not
know what to do with it,—that's what's
the matter."

CARPET-BAG POLITICIANS.—One of the
greatest curses with which this State has
been afflicted in times past and present, is
the genus politician, of the carpet-bag order.
You will find them in every county and vil-
lage throughout the land. They are always
the busiest persons at primary elections, and
generally manage to get themselves elected
to Conventions, or obtain proxies by some
means or other.—Always candidates for of-
fice, no difference what it is, just so it is an
office,—with no visible means of support, or
perhaps a trade or profession that does not
afford them a living; and being too lazy to
go into the mines and labor, they turn polit-
ician, that being more congenial to their
tastes and inclinations.

The assurance of these fellows is astonish-
ing. It matters not with them whether they
have been in the county long enough to be-
come legal voters or not, and as regards
qualifications for the office it is the least of
their thoughts. So they secure a nomina-
tion, it is all they care for, trusting to the
strength of the party to carry them through;
but if they do not succeed the first time,
they soon become "played out," and find it
necessary to emigrate, and in a few months
you will hear of them in some other locality
as eager as ever to serve the dear people in
almost any capacity.

A PRESCRIPTION.—A few men who are
the leaders of the regular (?) organization
clique in this county, are hard at work try-
ing to make the people believe that they did
not resort to trickery and deceit, to get con-
trol of the Convention, and to get their candi-
dates nominated. We doubt whether they can
succeed in making some of the gentle-
men who were candidates before their Con-
vention believe that the clique did not make
false representation to them and their friends,
so as to get their support in the primaries,
and afterwards sacrificed them for the pur-
pose of strengthening the ticket, for the bene-
fit of one or two men. One of their head
men remarked in the presence of several
gentlemen, after the Convention had ad-
journed, "that it was the first Convention he
had ever been in that he could control,
and that he was bound to do it," but now,
they are afraid that the people will not sup-
port them or their ticket, and are trying to
make it appear that everything was con-
ducted honorably and fairly. They are
shocked at the idea of bolting from the party,
and are loud in their denunciation of the
bolters. We recommend to the old-liners
who are worrying themselves so much about
the People's Party, that they get some of
Mrs. Winslow's Soothing Syrup, and take it
in regular doses until after the election.

HIS PREFERENCE.—From a gentleman
who pretends to know, we learn that Mr.
Blood, the Union candidate for Assembly-
man, is not favorable to either Sargent or
Low for U. S. Senator, his first choice being
Cunningham of Yuba. Mr. Blood did not
receive the votes of the Sargent faction
delegates from this county. He was
not their choice, and his nomination does
not give very good satisfaction to Sargent's
friends in this county, but as he has re-
ceived the nomination from the regular or-
ganization, we suppose they will feel them-
selves bound to support him.

P.—Don't be in a hurry. We shall give
the gentleman his share of our attention be-
fore the election. He is the main trickster,
and we shall be able to prove it before he
ever succeeds in getting an office that will
give him money enough to leave the county
with. Thanks for your items. We shall
try and use them with good effect.

GOOD.—The combination arrangement, like
"McFingal's" gun, has recoiled, and knocked
the "other" over, or, in other words, one of
the chief actors is getting up the combina-
tion, and who thought that he had a sure
thing on a nomination, has been left out
in the cold. Poor fellow! Republicans are
ungrateful, and so are tricky politicians.

PROCEEDINGS OF THE JOINT CON- VENTION.

At the meeting of the Union Convention

sine die.

J. S. WARD, Chm.

T. F. EMMONS, Sec'y.

RIDICULOUS PROCEEDINGS.—Among the
list of Oakland College the name of the Hon.
A. Sargent appears. This gentleman ob-
tained his degree thus: Graduated from a
printer's case in the San Francisco Herald,
by laying down his stick: edited a newspa-
per while in Nevada, and meanwhile read
some of the Statutes and Practice Act, and
was admitted to the bar, across lots. Hav-
ing made no pretensions to classical or sci-
entific attainments, the Oakland College of
Arts, solely because he has been in Con-
gress and fully aware that he is not pre-
pared to enter their Freshman class. It is not
probable that Mr. Sargent knows a Latin
root from a Bodega potato, or could tell
whether the concern they ring for dinner is
an isosceles or an equilateral triangle. The
want of a classical education does not dis-
qualify him for usefulness in public life; but
such proceedings as we refer to bring ridi-
cule on himself and vastly cheapen the hon-
ors of the college.—[Flag.]

Just So.—As we were so very politely
requested (?) to publish the proceedings of the
Joint Convention, held at Taylorville on the
29th ult., we do not consider that we should
be doing right in refusing to publish them;
therefore they appear in this paper. The re-
solution read as follows: "Resolved, That
the proceedings be published in QUINCY
UNION and SAGE BRUSH."

A HEAVY politician in this county has a
political gun that he fires every year, for
the benefit of two factions, sitting astride of
the political fence, and the recoil always
knocks him political cold. He intends to
fire it off again shortly.—[Ex.]

We have one or two of the same kind in
Plumas.

In Nevada County says the Gazette, the
Long Hairs are very sweet now toward Dem-
ocrats. They are offering large sums of
money to induce them to nominate a ticket;
some going so far as to promise to support
their county ticket, also offering deputations
to them. The Democrats don't bite at this
bait—they have no confidence in their de-
serted promises. What a pretty set these
"purity" fellows are!

THE LAW.—In section 14 of the law of
this State, in regard to public schools, is the
following: "No Superintendent or Trustee of
common schools shall be interested in any
contract let or made, by any district over,
or in which he has any official supervision
or control. Nor shall he be employed as a
teacher in any such district."

THE People's party is the true Union or-
ganization in this city and county. It num-
bers in its ranks a large majority of all the
Union men in this community.—[Ate.]

LOSS OF THE STEAMER BROTHER JON-
ATHAN.—A San Francisco dispatch to the Ap-
pel, under date of Aug. 2d, gives the fol-
lowing account of the sinking of the steamer
Brother Jonathan:

Crescent City, July 30th, via Jackson-
ville, Oregon. Received in San Francisco,
Aug. 2d.

The California Steam Navigation Com-
pany's steamer Brother Jonathan struck a sun-
ken rock off St. George's Point, about eight
or ten miles north-west from Crescent City,
about half-past one o'clock, P. M. to-day,
and went down in about 45 minutes after-
wards, and all on board are supposed to be
lost except seventeen adults and three child-
ren, who came ashore with me in the ship's
life boat, at this place, about five o'clock,
P. M. All the small boats at this place, have
gone to the rescue. No hopes of saving any
one. Two boats swamped alongside of the
ship, and there were three boats left on the
steamer. The passengers are cared for by
the citizens here. The following is the list
of the saved:

James Patterson, 3d officer; David Far-
rell, steward; Henry Miller, baker;
Patrick Linn, fireman; Wm. Lowry, fireman;
William E. Shield, waiter; Stephen Morgan,
waiter; Mrs. Mary Ann Twedle, Mrs. Mira
Bernhart and child, Mrs. Martha E. Wilder,
Mrs. Martha Stott and child, and four col-
ored seamen.

8 o'clock.—The boats have returned, and
nothing has been seen of the wreck. We
have given up all hopes.

Signed, JAMES PATTERSON, 3d officer.

AN OLD GAME.—We learn that the sub-
scribers of this paper in a remote section of
this county, have, during the past three
weeks, failed to receive their papers. The
papers have been forwarded regularly, and
doubtless have reached the P. O. to which
they were addressed. If we hear of any
more complaints from that office, we shall
see to it that a certain individual whom we
are satisfied is at the bottom of the arrange-
ment, gets his just deserts. That game won't
win in the long run, any better than the
combination trick did.

STRANGE INDEED.—Some of the members
of the purity party clique in this town, think
that it is very strange we should allow the
Democratic Call for a Convention to appear
in this paper, even as an advertisement.
Wonder if the same men would not like to
have us print their ticket, &c., wait on them
a year for our pay, and then—not get it?
We have had support enough from the
Traugh & Co. clique, during the past three
years. We have had our fill.

OR COURSE.—It is reported that the Sar-
gent faction's candidate could have received
the nomination for Assemblyman, provided
he would pledge himself to oppose A. A.
Sargent for U. S. Senator. He would not
make the pledge; and, as a matter of course,
was defeated.

We do not suppose that the proprietor of
the Quincy Union will be inclined to indulge
&c.—[Californian.]

We do not suppose that it is any of your
business what the proprietor of the QUINCY
UNION feels inclined to do.

\$150 00.—Can some of our friends inform
us, if the \$150, expended by one of the clique
to secure an appointment, (which he didn't
get), was a good paying investment?

JEFF. DAVIS says that "the last tie is sev-
ered." He has not got his last "tie" yet,
and he won't be able to sever it when he
does get it.

PRESIDENT JOHNSON does not seem in-
clined to give the Southern negroes the
right to vote. He thinks it is a matter
which the states should regulate.

THE Red Bluff Independent refuses
to support the regular (?) Union ticket nomi-
nated in Tehama county.

DECLINED.—Gov. Low has published a
card in the S. F. Bulletin, declining to be a
candidate for U. S. Senator.

DISCOVERY.—The Marysville Appeal an-
nounces the following, which will strike
many as a novelty: Copperhead papers won't
lie.—It's some other sort.—[Chronicle.]

The Appeal ought to know.—It does
enough of it.

SAFE BET.—That if the Sargent faction
could have their way in this State, the
State Constitution would be amended so as
to allow negroes to vote.

The withdrawal of Low makes the Sen-
atorial issue, Sargent vs anti-Sargent.

To the Democracy of Plumas County:—

THE UNDERSIGNED, having met for the purpose
of calling you together in County Convention,
avail themselves of the opportunity to address
you, briefly, upon the present position and re-
sponsibilities of the Democratic Party:

For the last four years, in spite of the fiercest
political proscription and persecution known to
our history, we have maintained our organiza-
tion, proclaimed the time-honored principles of
our party, and advocated what we conceived to
be the best interests of our whole country. Dem-
ocrats and conservative men of all parties battled
long and manfully against that fanaticism which
led to the great Civil War through which we
have just passed. Thousand who had stood with
us in our endeavors to preserve the Union at the
bullet-box and by compromise, when the country
became involved in war, felt it their duty to de-
sert their former political associations, and, under
the pretext of saving the Union, give countenance
and support to those men and to those mea-
sures which had been mainly instrumental in
destroying the peace and liberties of our country.

Thank God, the way is over. The chains of mili-
tary necessity, by which so many were led into
the folds of our political enemies, and there bound
hand and foot to the bloody car of fanaticism, are
broken. Neither party shackles nor the arts of
demagogues and tricksters, have the power longer
to induce men to countenance and support those
fanatical ideas which they have life-long recog-
nized as the very bane of our political existence.
Free thought and free speech are once more as-
suming their sway over the minds, and directing
the steps of freemen. Old party lines and party
issues are dissolving before the sunlight of Peace.
Conservative men of all parties, who have been
of late arrayed against us, are ready and anxious
to unite with all true patriots, in upholding and
perpetuating Constitutional unity, liberty, and
law. Let Democrats meet all such in a spirit of
concession, evincing a desire to let bygones be
bygones. We have too grand a mission to fill
in the future, to cherish personal animosities, or to
foster for a moment the enmities which the late
struggles have engendered. New and important
issues are crowding upon us. There is an over-
whelming public debt to be provided for; a
load of taxation to be removed from the people;
a distracted currency to be regulated; States
to be adjusted in the Union, and the Union to
be restored to the hearts of their citizens; all
the wounds of the late civil war to be healed;
the vast and varied interests of the country to
be harmonized and fostered; and, though the
question of African Slavery is finally and defini-
tely settled, the social and political status of the
negro remains to be fixed. How are all these
things to be done? Who are to direct their per-
formance? These and many other great ques-
tions are to be met and decided by the American
people.

The traditions of the Democratic Party
proclaim in unmistakable terms how you stand
upon the question. Now is the time for you to
prepare to act your part in the momentous future.
Rally the conservative elements of all parties with
you around the standard of a Constitutional Union,
and unite in support of all the rights, Reli-
gious, civil and individual, which that implies, and
the future glory and grandeur of the country will
be your clef d'œuvre.

For the purposes of our organization, we re-
commend that you use at the different Precincts

My country, 'tis of thee,
Sweet land of liberty,
Of thee I sing:
Land where my father died,
Land of the pilgrim's pride,
From every mountain side,
Let freedom ring.

My native country thee,
Of thee the noble free,
Thy name I love:
I love thy rocks and rills,
Thy woods and templed hills;
My heart with rapture thrills
Like that above.

Let music swell the breeze,
And ring from all the trees,
Sweet freedom's song;
Let mortal tongues awake,
Let all that breathe partake,
Let rocks their silence break,
The sound prolong.

Our fathers' God, to thee,
Author of liberty,
To thee I sing:
Long may our land be bright
With freedom's holy light;
Protect us by thy might,
Great God, our King.

"Well, the land of Africa is on the eastern continent; but the people are all of them down south."

"By drawing."
"Drawing what—water?"
"No, sir, by drawing their breath."
"Sit down, John. Thomas, what is the equator?"

"Why, sir, it is a horizontal pole running perpendicularly through the imagination of astronomers and old geographers."
"Go to your seat, Thomas. William Stiggs, what do you mean by an eclipse?"
"An old racer, sir."

"Silence, Jack, you are a scholar: what is an eclipse?"
"An eclipse is a thing as appears when the moon gets on a bust, and runs against the sun; consequently the sun blacks the moon's face."

Schoolmaster looks as black as thunder. The class is dismissed.

"I SHAN'T MY MIND."—One of the brigades of our army is temporarily commanded by a German Colonel, one who claims to have seen service abroad.

One day his brigade was out for review and inspection, when he approached, and taking position, called out:
"Attention, my brigade! Shoulder—right—arms!"

But how the men were startled, as the movement was being executed, to hear:
"Hold on! I shan't my mind! Right—shoulder—right—arms!"

The manœuvre was executed with many smiles, especially in the rear of the commanding officer.

DIARY, BY SLUGGARD.—Sunday.—Day of rest; of course nothing can be done.

Monday.—Being early in the week, don't be too precipitate in beginning anything.

Tuesday.—Determine not to let the week go by without achieving something brilliant.

Wednesday.—Resolve on vigorous measures for to-morrow.

Thursday.—Mature yesterday's deliberations.

Friday.—Rather too late in the week to do anything.

Saturday.—Give yourself up to society, and consult friends (who know best) what is to be done next week.

A BACHELOR CONSIDERED.—"What did you come here after?" inquired Miss Susan Diaper of a bachelor friend, who made her a call when the rest of the people were gone out.

"I came to borrow some matches," he meekly replied.

"Matches! that's a likely story. Why don't you make a match? I know what you came for," exclaimed the delighted Miss, as she crowded the old bachelor into a corner, "you came to kiss and hug me almost to death; but you shan't—without you are the strongest, and the Lord knows you are!"

The following is the verdict of a negro jury: "We, the undersigned, being a kornet's jury to sit on the body of de nigger Sambo, now dead gone afore us, hab been attin' on de said nigger aforesaid, did, on de night ob de fustest ob November, come to deff by fallin' from de bridge ober de river in de river, where he was subsequently drown, and afterwards washed on de river side, where we s'pose he was froze to deff.

A COLORED preacher within the Federal lines recently felt constrained to preach against the extortion of the sutlers from which his flock had suffered. After much deliberation he announced his text as follows: "Now the serpent was more suttler than any beast of the field."

The interior of Missouri is beginning to look up. Quite a number of farms near Booneville, have recently changed hands at \$60 to \$70 per acre. A short time ago, they would hardly have brought any price at all.—[Lafayette Advertiser.]

WARM WEATHER IN NEVADA.—The Gazette says at French Corral, on Saturday last, the mercury stood at 105° in the shade, and at Woods' Crossing of the Yuba river it stood 115°. In Nevada it ranged from 90° to 95°.

A PET OF THE CAMP.—The Nineteenth Maine Regiment, which has just returned home, brings with it a camp pet—a beautiful snow white lamb which strayed into the quarters of the regiment about the time of Lee's surrender.

A NEW political party is being formed in New York, Pennsylvania and Ohio, which is to be composed exclusively of men who have been in the Army and Navy. The move originated in New York, and seems to be popular among military men.

A SAN FRANCISCO correspondent of the Virginia Union, says that two expeditions are organizing in San Francisco to go to the assistance of Juarez, in Mexico. They are to march overland via Arizona.

MINISTER TO BERLIN.—The New York Tribune gives publicity to the rumor that ex-Governor Wright of Indiana will be tendered the mission to Berlin.

The first man killed in this war was Daniel Howe, of New York, at Fort Sumpter, in 1861, by the premature discharge of a gun.

Medical Advice.—Dr. W. K. DOHERTY'S Medical and Surgical Institute is becoming a sine qua non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is the result of his skill, and follows as a natural effect of such a cause.

We are personally acquainted with gentlemen who have suffered for years with gonorrhea, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who in an incredibly short space of time has given them entire relief. It is gratifying to announce this fact, because the Doctor is a gentleman who seeks, not by defamation of others, to establish his reputation or to rear the superstructure of his own upon the ruins of another's fame. The Doctor conducts his Institute in such a manner that must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient after hearing his terms for treatment, does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertains to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—[S. F. News.]

NOT A FEW

Of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of all the disorders that have been made to purge it out, none can equal in effect HELMBOLD'S COMPOUND EXTRACT OF SARSAPARILLA. It cleanses and renovates the blood, instills the vigor of health into the system, and purges out the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Such a remedy, that could be relied on as long been sought for, and now, for the first time, the public have one on which they can depend. Our space here does not admit of certificates to show its effects, but the trial of a single bottle will show to the sick that has virtues surpassing anything they have ever taken.

Two tablespoonfuls of the Extract of Sarsaparilla added to a pint water, is equal to the Lisbon Diet Drink, and one bottle is equal to a gallon of the Syrup of Sarsaparilla, or the decoction as usually made.

The above Extracts are prepared on purely scientific principles—in France—and embody the full strength of the ingredients entering into their composition. A ready and conclusive test will be a comparison of their properties with those set forth in the U. S. Dispensary.

How TO USE THE REMEDIES.

In Diseases of the Blood, Humors on the Face, or any and every part of the body, use Extract Sarsaparilla, applying to Pimples and all external Humors or Eruptions the Improved Rose Wash.

Use the Extract Buchu for all diseases requiring the aid of a Diuretic, except those of the Urinary Organs, such as Gonorrhea and Gleet; in these cases use the Extract Buchu and inject with the Improved Rose Wash.

THESE EXTRACTS HAVE BEEN ADMITTED TO USE IN THE UNITED STATES ARMY, and also are in very general use in all the STATE HOSPITALS AND PUBLIC INSTITUTIONS throughout the land, as well as in private practice, and are considered as invaluable remedies.

TO THE PUBLIC.

The large number of unprincipled "doctors" who now advertise in the public journals, and who have so long held full sway in San Francisco, seem to render it imperative for some capable attempt of medicine, on whom the public can rely, to make an attempt, not only
